Partnerships & Collaborations Flow

A partnership is a campaign with an outside party in it. Marketing owns the relationship and the agreement. The sub-department that delivers runs the day-to-day with the partner. Nothing is promised in public before the agreement is signed.

Event partner

Sponsors, co-hosts, venue partners, in-kind vendors.

MARKETING SIGNS · EVENTS DELIVERS

Content partner

Influencers, creators, co-branded posts, media partners.

MARKETING SIGNS · SOCIAL DELIVERS

Strategic partner

Brand collaborations covering both events and content.

MARKETING SIGNS · BOTH DELIVER

Partner rules

One owner per partner.
Money, terms, scope go to them.

Partner approvals
go in the approvals log.

Usage rights recorded
with an end date.

One partner list: status,
contract end, contact, results.
